INTRODUCTION

Khaled Al Yousuf General Trading LLC is a leading trading company established during the year 2012 in AJMAN, United Arab Emirates. We are specialized in import & export of lubricants, car accessories, mobile accessories, stationery items Etc. In the UAE, Middle East, Asia & Africa. We pride ourselves for the agility in the international trade and business transcendent.

Our goal is to go regional & international, to give quality management services that put our team to be experts to work with you. Our superior product quality, higher functional efficiency & competitive price have acquired the trust, support and assurance of our clients that have, in turn, become the momentum for our growth. We build long lasting relations by providing all premium brands at competitive pricing.

Products supplied by us are known for their high quality and durability and this has helped us to capture a sizable share of the market. We have professionally well trained staff both in sales and operations for your support. The company has been successful in developing business connections all over the world primarily because of dealing in high quality of products and services.

We sell "Quality" rather than "Products" this has given us an upper edge over competitors. Which has won the hearts of our esteemed customers which keep us aside from the other general traders?
